COOPERATIVE DEPARTMENT

NOTIFICATION

Simla, the 29th August, 1977

No. 6-270/75-Co-op. (T&M).—Whereas, a statutory enquiry under section 67 into the constitution, working

and financial conditions of the Kailash District Co-operative Marketing and Supply Federation Limited, Dhalli was conducted by Shri L. C. Kapoor, District Co-operative and Supplies Officer (Special) appointed as an enquiry officer *vide* this office order No. 6-165/74-Co-operative (T&M), dated 6-11-1974;

Whereas, the result of the enquiry depicting grave financial and other irregularities committed by the Management and its employees was conveyed, for compliance within a month, through District Co-operative and Supplies Officer, Simla *vide* this Office Memo No. 6-270/75-Co-operative (T&M), dated 22-1-1977 with a copy along with a copy of enclosures to the Chairman of the said Federation;

And whereas the management of the said federation failed to rectify the defects and irregularities conveyed to them and improve the financial position of the Federation upto now;

And whereas a perusal of the balance sheets reveal that the Federation is incurring losses since 1969-70 to date except a nominal profit of Rs. 32,246.00 during 1972-73 resulting in accumulated losses of about Rs. 10.00 lacs as on 30-6-1976. The present state of affairs of the Federation has reached such a stage that it is not possible for the Federation to discharge its obligations for the repayments of loans amounting to Rs. 40.89 lacs taken from the Himachal Pradesh State Co-operative Bank Ltd., Simla nor pay its sundry creditors towards whom its liability is approximately Rs. 33 lakhs. The sundry debts have also accumulated to Rs. 45.01 lacs as on 30-6-1976. The recovery of these amounts seems to be doubtful for want of confirmation. The Federation is continuing to incur losses which are progressively increasing each year and there does not appear to be any likelihood of any improvement in the immediate future;

Now, therefore, I, O. P. Yadava, Registrar Co-operative Societies, Himachal Pradesh in exercise of the powers vested in me under section 78 of the Himachal Pradesh Co-operative Societies Act, 1968 (Act No. 3 of 1969) read with rule 104 to 106 of the Himachal Co-operative Societies Rules, 1971 hereby order winding up of the Kailash District Co-operative Marketing and Supply Federation Ltd., Dhalli and appoint Shri Harish Chandra, District Co-operative and Supplies Officers (Federation) as Liquidator who shall submit his final report to the undersigned within two years of his appointment;

The liquidator shall be exercising all the powers as enumerated in clauses (a) to (e) of section 30(2) of the Himachal Pradesh Co-operative Societies Act, 1968 subject to the control of the Registrar Co-operative Societies and act according to the procedure laid down in rules 107 to 111 of the Himachal Pradesh Co-operative Societies Rules, 1971.

O. P. YADAVA,
Registrar.

25. *Preliminary inquiry into application.*—If the application is not dismissed under rule 24, the Commissioner may, for reasons to be recorded call upon the applicant to produce evidence in support of the application before calling upon any other party, and if upon considering such evidence the Commissioner is of opinion that there is no case for the relief claimed, he may dismiss the application with a brief statement of his reasons for so doing.

26. *Notice to opposite party.*—If the Commissioner does not dismiss the application under rule 24 or rule 25, he shall send to the party from whom the applicant claims relief (hereinafter referred to as the opposite party) a copy of the application together with a notice of the date on which he will dispose of the application, and may call upon the parties to produce upon that date any evidence which they may wish to tender.

27. *Appearance and examination of opposite party.*—(1) The opposite party may, and if so required by the Commissioner shall at or before the first hearing or within such time as the Commissioner may permit, file a written statement dealing with the claim raised in the application, and any such written statement shall form part of the record.

(2) If the opposite party contests the claims, the Commissioner may, and, if no written statement has been filed, shall proceed to examine him upon the claim, and shall reduce the result of examination to writing.

28. *Framing of issues.*—(1) After considering any written statement and the result of any examination of the parties, the Commissioner shall ascertain upon what material propositions of fact or of law the parties are at variance and shall thereupon proceed to frame and record the issues upon which the right decision of the case appears to him to depend.

(2) In recording the issues, the Commissioner shall distinguish between those issues which in his opinion concern points of facts and those which concern points of law.

29. *Power to postpone trial of issues of fact where issues of law arise.*—When issues both of law and of fact arise in the same case, and the Commissioner, is of opinion that the case may be disposed of on the issues of law only, he may try those issues first, and for that purpose may, if he thinks fit, postpone the settlement of the issues of fact until after the issues of law have been determined.

30. *Diary.*—The Commissioner shall maintain under his hand a brief diary of the proceedings on an application.

31. *Reasons for postponement to be recorded.*—If the Commissioner finds it impossible to dispose of an application at one hearing he shall record the reasons which necessitate a postponement.

(2) The Commissioner, at the time of signing and dating his judgement, shall pronounce his decision, and thereafter no addition or alteration shall be made to the judgement other than the correction of a clerical or arithmetical mistake arising from any accidental slip or omission.

33. *Summoning of Witness.*—If an application is presented by any party to the proceedings for the citation of witnesses, the Commissioner shall on payment of the prescribed expenses and fees, issue summons for the appearance of such witnesses, unless he considers that their appearance is not necessary for the just decision of the case.

34. *Exemption from payment of costs.*—If the

Commissioner is satisfied that the applicant is unable, by reason of poverty, to pay the prescribed fees, he may remit any or all of such fees. If the case is decided in favour of the applicant, the prescribed fees which, had they not been remitted, would have been due to be paid, may be added to the costs of the case and recovered in such manner as the Commissioner in his order regarding costs may direct.

35. Right of entry for local inspection.—A Commissioner before whom any proceeding relating to an injury by accident is pending may at any time enter the place where the workman was injured, or where the workman ordinarily performed his work, for the purpose of making a local inspection or of examining any person likely to be able to give information relevant to the proceedings:

Provided that the Commissioner shall not enter any premises of any industrial establishment except during the ordinary working hours of that establishment save with the permission of the employer or of some person directly responsible to him for the management of the establishment.

36. Procedure in connection with local inspection.—If the Commissioner proposes to conduct a local inspection with a view to examining on the spot the circumstances in which an accident took place, he shall give the parties or their representatives notice of his intention to conduct such inspection, unless in his opinion the urgency of the case renders the giving of such notice impracticable.

(2) Such notice may be given orally or in writing, and, in the case of an employer, may be given to any person upon whom notice of claim can be served under sub-section (2) of section 10, or the representative of any such person.

(3) Any party, or the representative of any party, may accompany the Commissioner at a local inspection.

(2) No oath shall be administered to a person examined under sub-rule (1).

(3) Statements made by persons examined under sub-rule (1) if reduced to writing, shall not be signed by the person making the statement, nor shall they, except as hereinafter provided, be incorporated in the record or utilised by the Commissioner for the purpose of arriving at a decision in the case.

(4) If a witness who has been examined under sub-rule (1) makes in evidence any material statement contradicting any statement made by him in such examination and reduced to writing the Commissioner may call his attention to such statement, and shall in that case direct that the parties be furnished with the relevant part of such statement, for the purpose of examining or cross examining the witness.

(5) Any statement or part of statement which is furnished to the parties under sub-rule (4) shall be incorporated in the record.

(6) Where a case is settled by agreement between the parties, the Commissioner may incorporate in the record any statement made under sub-rule (1) and may utilise such statement for the purpose of justifying his acceptance of, or refusal to accept, the agreement reached.

38. Agreement to abide by Commissioner's decision.—

(1) If a party states in writing its willingness to abide by

the decision of the Commissioner, the Commissioner shall inquire whether the other party is willing to abide by his decision.

(2) If the other party agrees to abide by the Commissioner's decision, the fact of his agreement shall be recorded in writing and signed by him.

(3) If the other party does not agree to abide by the Commissioner's decision, the first party shall not remain under an obligation so to abide.

39. Procedure where indemnity claimed under section 12(2).—(1) Where the opposite party claims that if compensation is recovered against him he will be entitled under sub-section (2) of section 12 to be indemnified by a person not being a party to the case, he shall, when first called upon to answer the application present a notice of such claim to the Commissioner accompanied by the prescribed fee, and the Commissioner shall thereupon issue notice to such person in Form I.

(2) If any person served with a notice under sub-rule (1) desires to contest the applicant's claim for compensation or the opposite party's claim to be indemnified, he shall appear before the Commissioner on the date fixed for the hearing of the case or on any date to which the case may be adjourned and, if he so appears shall have all the rights of a party to the proceedings in default of so appearing he shall be deemed to admit the validity of any award made against the opposite party and to admit his own liability to indemnify the opposite party for any compensation recovered from him:

Provided that, if any person so served appears subsequently and satisfies the Commissioner that he was prevented by any sufficient cause from appearing the Commissioner shall, after giving notice to the aforesaid opposite party, hear such person and may set aside or vary any award made against such person under this rule upon such terms as may be just.

(3) If any person served with a notice under sub-rule (1) whether or not he desires to contest the applicant's claim for compensation or the opposite party's claim to be indemnified, claims that being a contractor he is himself a principal and is entitled to be indemnified by a person standing to him in the relation of a contractor from whom the workman could have recovered compensation he shall on or before the date fixed in the notice under sub-rule (1) present a notice of such claim to the Commissioner accompanied by the prescribed fee and the Commissioner shall thereupon issue notice to such person in Form J.

(4) If any person served with a notice under sub-rule (3) desires to contest the applicant's claim for compensation, or the claim under sub-rule (3) to be indemnified he shall appear before the Commissioner on the date fixed in the notice in form JJ or on any date to which the case may be adjourned and, if he so appears shall have all the rights of a party to the proceedings, in default of so appearing he shall be deemed to admit the validity of any award made against the original opposite party or the person served with a notice under sub-rule (1) and to admit his own liability to indemnify the party against whom such award is made for any compensation recovered from him:

Provided that, if any person so served appears subsequently and satisfies the Commissioner that he was prevented by any sufficient cause from appearing; the Commissioner, shall after giving notice to all parties on the record, hear such person, and may set aside or vary any award made against such person under this rule upon such terms as may be just.

(5) In any proceeding in which a notice has been served on any person under sub-rule (1) or sub-rule (3) the Commissioner shall, if he awards compensation, record in his judgement a finding in respect of each of such persons whether he is or is not liable to indemnify any of the opposite parties, and shall specify the party, if any, whom he is liable to indemnify.

40. Procedure in connected cases.—(1) Where two or more cases pending before a Commissioner rise out of the same accident and any issue involved is common to two or more such cases may, so far as the evidence bearing on such issue is concerned, be heard simultaneously.

(2) Where action is taken under sub-rule (1) the evidence bearing on the common issue or issues shall be recorded, on the record of one case, and the Commissioner shall certify under his hand on the records of any such other case, the extent to which the evidence so recorded applies to such other case and the fact that the parties to such other case had the opportunity of being present, and, if they were present of cross-examining the witnesses.
